

Free Services

At Lillian's Paintbrush LLC. the client is our main concern, and with today's economy we recognize the need for the client not to feel overwhelmed with additional charges. Listed below are free services that we provide.

-

Free Consultations: At our initial consultation we will work with you in the comfort of your home to achieve your desired look.

[Click here to contact us for a free consultation](#)

-

Detailed Proposals: Our unique proposals have a room by room project description so you can add or subtract as many areas as your budget allows.

-

Interaction: the key to any well executed plan is "Communication" Lillian will interact with you, your designer, architect, or contractor to achieve the best results possible. One of the benefits of working with Lillian's Paintbrush LLC., is access to our unique message board . This special tool keeps all parties connected and can act as a project management tool.

-

Ordering of products: Everything that is needed to do the job is ordered and brought to the site. (Leave all the worrying to us.)

-

Clean work site: At the end of each work day, our crew makes sure that everything is put away and that the areas are clean. When the job is completed, we make sure that everything is back in it's place and that all areas are completely clean.

-

Touch-up Paint: We leave touch-up samples of every product we use.
