## Customer Testimonials

As a designer, I have really enjoyed working with Lillian Beretta and her team of talented artists. I frequently search for unique finds at consignment shops and estate sales for my clients to keep things different and unexpected. I have reached out to Lillian to help me turn my shabby finds into a true "gems" for my clients. I'm always thrilled with the end result! She is truly an artist in transforming a mediocre piece and restoring it back to its original beauty but with a modern day look. I especially love Lillian's work with silver leaf finishes. She restored a dresser in this finish and diligently took it one extra step by painting a beautiful hand painted design on the top which totally completed the piece! I would recommend Lillian's Paintbrush to anyone who is looking for a true artist to enhance their home. I am definitely looking forward to the next project with Lillian's Paintbrush!

"We used Lillian to lighten the color and restore a fire damaged brick wall and hearth, plus blend in (hide) several electrical outlets on a stone backsplash under our new cabinets. Lillian also turned a dull, boring fire place hood into a work of art, so much so that our friends are still talking about it. Lillian's Paintbrush is probably one of the premier faux painters the Delaware Valley...Lillian and her crew transformed our kitchen and den into a work of art. I would not hesitate to recommend this company."

"A good faux painter is an extremely valuable asset to an interior designer's resources. It's not a skill that can be picked up by magazine or books. In addition to the general knowledge of paints and faux products, an artist must truly be "an artist"! Without the creative aspect of the profession one cannot be successful. Lillian is the "artist behind the business." I'm grateful that she is one of the resources I call upon when I need a room to look fabulous."

"We have had the extreme pleasure of working with Lillian Beretta and her team of creative and talented professionals over the years. They have helped us transform our home into a work of art and they were able to turn our ideas into framed masterpieces. We first learned about Lillian's Paintbrush through a flyer and once we met the owner, Lillian, we knew that she was conscientious and really cared about how she serviced her clients. When her team arrived on the job, they were courteous and very focused on the project ahead. They kept their area always clean and well managed and took a great deal of pride in their work. We have recommended Lillian's Paintbrush to a number of friends, and in fact, when they see what's she has done in our home, they are quick to ask for her phone number. We look forward to the next project with Lillian's Paintbrush."
